

PMG's Apprenticeship Recruitment Fair 2015

All day on Saturday 7th March 2015 – At Plymouth Guildhall

Next March, at the beginning of national apprenticeship week, the PMG is planning to host its own exclusive recruitment fair at Plymouth Guildhall¹.

Within days of announcing our plans the following member firms have already agreed to support the event: Aldermans; Babcock International Group; BD; Hymec Aerospace; Kawasaki Precision Machinery; MGB Engineering; Pipex px; Plessey; PTG

Precision Engineers; Princess Yachts International and Wrigley Co. Footfall is guaranteed to be high!

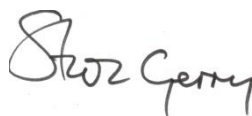

We intend using all means possible to promote the event. We are currently bidding for funds that would help pay for advertising on local radio; cinema and through the local press. We'll also be using social media and our contacts to get the message out direct to schools and Colleges and their pupils.

Do you want to be there? Aside from everything else, it'll be a great way of promoting the area's manufacturing sector and raising our corporate profiles to the parents and youngsters from within the City region. I hope that you'll be able to join us.

By the way, if you're one of our smaller members and you're new to exhibiting we'll aim to help you with the necessary kit etc.

Regards,
