The Opportunity

Plymouth City Council, Portsmouth City Council and Hampshire County Council are attending the Blue Tech & Blue Economy Summit in San Diego to promote the UK South Coast's world-leading marine and maritime cluster and we are looking for local companies to join us there.

We have limited places available for local companies to join us as part of our South Coast Marine Cluster. We will pay for your entry to the summit as well as your place at the Gala dinner and provide you with a £600 grant towards your travel costs.

About Blue Tech & Blue Economy, San Diego
