

# Join the UK South Coast Marine Cluster at Oceans '15

19 - 22 October 2015

Gaylord National Resort and Conference Centre, Washington DC, USA

## Partnership packages with

Portsmouth  
CITY COUNCIL

Hampshire  
County Council

DRAFT - subject to change

## The Opportunity

Plymouth City Council, Portsmouth City Council and Hampshire County Council will be taking a delegation of South Coast marine companies to the Oceans '15 exhibition. We have limited places available for local companies to join us and benefit from a £600 grant towards travel costs.

Take advantage of this exclusive opportunity and fly the flag for your company at Oceans '15. The show provides an invaluable opportunity to help you to make new contacts, gain new customers and meet with trade visitors and experts from all parts of the world.

## About OCEANS '15, Washington DC

**19 - 22 October 2015**

The premier North American conference and exhibition focused on advances in marine technology, science, education and policy. With over 2500 attendees and 150+ exhibitors, this year's theme is Sea Change: Dive into Opportunity. In parallel to the exhibition a conference will be run highlighting state of the art developments in technologies related to exploring, monitoring, protecting and wisely using the oceans resources. These sessions include technical presentations, tutorials, workshops and networking opportunities.

## Showcase Offer

Entrance to the trade show is free and we will provide a £600 towards travel costs.

All partner companies will benefit from:

- Entrance to the OCEANS 15 exhibition
- Being part of the UK South Coast Marine Cluster group of companies
- Organised networking reception with the University of Plymouth and meetings with targeted international companies
- One stop shop for any queries regarding the event
- Companies may also wish to attend the conference for an additional fee
