

Business Bulletin - Brexit: New rules are here

Issue 78: 29 March 2021

The UK has left the EU, and the Brexit transition period has ended. There are new rules for businesses doing business with the EU from 1 January, and you need to take action now. All information on Brexit can be found at www.gov.uk/transition. This bulletin is issued by the Department for Business, Energy and Industrial Strategy and provides the latest information for businesses.

5 Key Actions to take now: Moving goods from Great Britain to Northern Ireland

If your business moves goods from Great Britain to Northern Ireland it's important you act now to comply with the new rules. This simple guide highlights five key actions you can take now as well as additional guidance and support.

The five key actions are:

- Registering for the [Trader Support Service](#)
- [Get an EORI number](#)
- [Check your commodity codes](#)
- Check whether the [UK Trader Scheme](#) could help your business
- Check goods regulation: Manufactured and agri-food goods

For more information, click [here](#).

For the updated explainer video on moving goods into, out of or through Northern Ireland, click [here](#).

For a list of helpful videos about the Trader Support Service, click [here](#).

HMRC tax and customs support to businesses that trade with Europe

VAT-registered businesses that trade with the EU are being offered [further customs and tax support](#) by HM Revenue and Customs. Support includes:

- [The SME Brexit Support Fund](#)
- [Regular live webinars](#)
- The ability to [delay import declarations on duty payments on goods moving between the EU and GB](#)
- The ability to [appoint a specialist to deal with import and export declarations](#)
- [Preferential rates of duty](#) (where eligible)
- [Support for moving goods through Northern Ireland](#)

For more information, click [here](#).

Updated Guidance

UPDATED: Trading with the UK: exporting animals and animal products to the UK: Guidance has been updated with a changed email address of who to contact for market access applications for plants and plant product. Iceland has also been added to the list of countries that may need additional certificates. For more information, click [here](#).

UPDATED: List of customs agents and fast parcel operators: The list of agents and operators who can help submit customs declarations, has been updated. For more information, click [here](#).

UPDATED: Importing or moving fish to the UK: Guidance has been updated with the documents you need to upload IPAFFS for imports from the EU from 1 October 2021. For more information, click [here](#).
